## **Fundraising Coordinator**

*Farmhouse Garden Animal Home is a 100% volunteer run non-profit. Our creative and community-minded fundraising campaigns are our main source of income to support the more than 30 non-human residents at our sanctuary. We are seeking a motivated individual, with a strong interest in animal rights and welfare, to act as our lead fundraising coordinator.*

*We currently have ~ 5 volunteers that regularly collaborate to develop, coordinate, and carry-out all our fundraising efforts. We have a larger roster of individuals who provide support adhoc when available.*

### **Responsibilities:**

- Identify and research new fundraising strategies
- Solicit grant application opportunities and complete grant applications
- Work with Executive Director to oversee active fundraising campaigns and coordinate new campaigns
- Work with Communications Director to oversee social media fundraising campaigns
- Work with the Donor engagement lead to oversee communication with current donors and outreach to prospective donors

### **Requirements:**

- Experience in non-profit fundraising
- Experience in digital marketing and communications
- Experience writing grant applications an asset
- Working knowledge of databases and MS Office (especially excel)
- Excellent verbal, written, and visual communication skills
- Outstanding organization skills
- Strong interest in animal rights and welfare

**Minimum time commitment:** 6 hours per week

**Location:** Primarily remote

**Income:** Volunteer role
